EXECUTIVE PROFILE & VALUE PROPOSITION

Results-driven Operations & Workflow Solution Specialist and Data Analytics Consultant bringing over a decade of high-level administrative governance, financial modeling, and information systems design into high-impact remote support. Holds a Doctorate in Business Management (DBM) and credentials as a Certified Data Analyst, Financial Analyst, Certified Research Development Consultant, Lean Six Sigma Yellow Belt, and ISO 9001:2015 Auditor. Transforms complex operational challenges into streamlined, automated workflows using Power BI, SQL queries, Monday.com, Google Workspace, Calendly, Zoom, and MS Excel VBA Macros—serving as a strategic remote solution partner for C-suite executives, optimizing business processes, engineering requisition tracking systems, and driving data-backed decision-making.

CORE SOLUTION CAPABILITIES & TECH STACK

• Power BI & Interactive Dashboards	• Workflow Automation (Monday.com)	• Executive C-Suite Support
• SQL & Relational Data Querying	• IBM SPSS Statistical Consultancy	• System User Manual Architecture
• Advanced MS Excel (VBA/Macros)	• Google Workspace & Calendly Admin	• ISO 9001:2015 & Six Sigma Yellow Belt

PROFESSIONAL EXPERIENCE & SOLUTION DELIVERABLES

Information Systems & Statistical Research Consultant | *Independent Project* 2024 – Present
Engagements

- System & Requisition Solution Architecture:** Commissioned for a discrete system development project by the General Administrative & Support Services Office to architect, code, and deploy a macro-enabled Task Tracker & Service Requisition Platform alongside digital forms, Google Workspace integrations, and automated SLA tracking.
- Business Intelligence & Data Solutions:** Leverage Power BI, SQL queries, and IBM SPSS to execute advanced data modeling, quantitative research, and statistical analysis (ANOVA, regression, t-tests) for executive decision-making and academic thesis consultations.
- Scheduling & Operations Automation:** Configured automated scheduling and remote collaboration workflows using Calendly, Zoom, and Monday.com boards, streamlining client interactions and task delegation.
- Technical Documentation & System Manuals:** Authored comprehensive formal System User Manuals and operational SOPs, detailing step-by-step navigation, data maintenance protocols, and system administration for non-technical users.

Accounting and Finance Department Head | *Kidapawan Doctors College Inc.* Jan 2022 – Aug 2026

- Departmental Award Honors:** Led the Accounting and Finance Department to achieve consecutive annual Outstanding Department Award honors consistently straight from 2022 through 2026.
- Executive Financial Modeling & Dashboards:** Directed full departmental operations and institutional financial administration (P30M+ annual budget), constructing integrated financial reporting and predictive data models presented during Board of Directors reviews.
- Workflow Engineering & Process Automation:** Built automated liquidation, audit, and inventory tracking mechanisms in MS Excel using VBA Macros, accelerating audit turnaround by 40% with zero compliance errors.

Business Operations Administrator | *Banguis-Diez Farm, Garden, & AgriVet* 2018 – Present

- Operational Governance & Systems:** Oversee inventory budgeting, digital record-keeping, vendor relations, and process optimization for private commercial operations.

Marketing and Operations Officer | Philippine Span Asia Carrier Corp.

Jan 2013 – Feb 2018

- **Internal Advancement:** Earned rapid promotion from frontline Teller to Marketing and Operations Officer based on exceptional administrative performance and leadership capacity.
- **Logistics Analytics:** Evaluated logistics metrics via advanced spreadsheets to optimize delivery routes; supervised a cross-functional team of 60+ personnel.

Shop Manager | SST Laptop (Davao City)

Oct 2010 – Jul 2012

- **Store Administration:** Directed store administration, customer relations, sales performance reporting, and technical inventory control.

Showroom Custodian | Merit Stainless Steel Inc. (Cebu City)

Mar 2010 – Sep 2010

- **Cataloging Operations:** Managed product cataloging, sales counters, and administrative reporting for commercial product lines.
